Dear Friend,

I am out of funds. Will you send me $.50 on my account with Mr. Phillips, as soon as you can do it with convenience?

I have been unable to procure any copy of my Letter to the President except the one in our Liberator, which we file. I want four or five copies, very much. I asked them of the National Republican, but they had not the civility to send me even one. If you have any papers that contain it, I wish you would send them to me.

I should also like Garrison's Address at Williams College, if it has been published in tract form, 2 or 3 numbers, if you please. If you

I wish the Rebels might catch "old Abe." Don't you tell.

have anything else particularly interesting, you might add it to the parcel. Please seal up the money in an envelope, put it in the middle of the newspapers and pamphlets, paste the whole together tightly, direct to me, and send by ~~Wayland~~ Mr. Moore's Wayland Express, which is either 6 or 7 Court Square, I forget which. If sent before 3 o'clock P. M. it will reach me the same day.

I will settle with you for newspapers and pamphlets, when I see you. Garrison's Address is admirable, one of the best things he ever did, which is saying a good deal.

Yours cordially,

L. Maria Child.
